If you wish to register co-exhibitors, please complete this form separately.

Exhibitor Co-Exhibitor, Company name

1. Dentistry

- 01.01. Treatment units
 01 Treatment units
- 01.02. Practice furniture
 01 Treatment room
 02 Consultation / waiting room
 03 Reception
 04 Seating furniture / chairs
 05 Accessories for practice furniture
- 01.03. Lighting systems
 01 Workplace lights
 02 Lighting systems
 03 Lighting accessories
 04 Room luminaires
- 01.04. Supply technology
 01 Extraction devices
 02 Separation devices
 03 Surgical suction devices
 04 Compressors
- 01.05. Diagnostics / Analytics
 01 Diagnostic equipment
 02 Magnifier
 03 Magnifying glasses
 04 Microscopes
 05 Ultrasound equipment
- 01.06. Imaging systems
 01 Digital image receivers
 02 Photographic systems
 03 Cameras and intraoral cameras
 04 X-ray
 05 Accessories for imaging
- 01.07. Drives and transmission instruments
 01 Straight / angle handpieces
 02 Micromotors / Turbines
 03 Oscillating instruments
 04 Rotating instruments
 05 Sonic / Ultrasonic handpieces
- 01.08. Hand instruments
 01 Impression trays
 02 Suction cannulas
 03 Bite registration instruments
 04 Surgical instruments
 05 Filling instruments
 06 Injection instruments
 07 Orthodontic instruments
 08 Matrices / matrix holders
 09 Measuring instruments
 10 Scalpels
 11 Spatulas
 12 Examination instruments
 13 Tooth cleaning instruments
 14 Forceps
- 01.09. Implantology
 01 Augmentation products
 02 Implants
 03 Implantation instruments
 04 Implant planning
 05 Connecting elements for superstructures

- 01.10. Special devices
 01 Bite registration devices / Functional Analysis
 02 CAD/CAM systems
 03 Dosing and mixing devices
 04 Endodontic devices
 05 Shade selection devices
 06 KFO devices
 07 Nitrous oxide devices
 08 Laser devices
 09 Light polymerization devices
 10 Ozone therapy devices
 11 Snore therapy devices
 12 Ultrasound devices
 13 Other special devices
- 01.11. Auxiliary devices
 01 Impression aids
 02 Bleaching
 03 Orthodontic aids
 04 Rubber dam
 05 Mixing cups / mixing plates
 06 Suture materia
 07 Emergency aids
 08 Occlusion testing aids
 09 Polishing agents
 10 Retention aids
 11 Dressing material
 12 Cotton rolls / swabs
 13 Root canal filling pins
 14 Other aids
- 01.12. Materials
 01 Impression materials
 02 Etchants and adhesives
 03 Luting materials
 04 Bite registration materials
 05 Crowns
 06 Filling / underfilling materials
 07 Temporary crown and bridge materials
 08 Temporary closure materials
- 01.13. Prophylaxis / Periodontology
 01 Interdental brushes
 02 Oral irrigators
 03 Prophylaxis devices
 04 Sealing materials
 05 Dental care products
 06 Denture materials
 07 Other
- 01.14. Pharmaceuticals
 01 Analgesics
 02 Antibiotics
 03 Antiseptics
 04 Diagnostics
 05 Local anesthetics
 06 Others

02. Dental technology

- 02.01. Furnishing
 01 Work tables
 02 Lighting
 03 Functional cabinets
 04 Silos
 05 Chairs

- 02.02. Functional plants
 01 Extraction systems
 02 CAD/CAM systems
 03 Others
- 02.03. Drives and transmission instruments
 01 Articulation and occlusion instruments
 02 Handpieces
 03 Machines
 04 Rotating instruments
 05 Turbines
- 02.04. Hand instruments
 01 Mixing instruments
 02 Measuring instruments
 03 Modeling instruments
 04 Cutting instruments and Saws
 05 Pliers
- 02.05. Devices
 01 3D printers
 02 Milling machines
 03 Devices for prosthetics
 04 Devices for modeling
 05 Reconstruction devices
 06 Others
- 02.06. Materials
 01 Plasters
 02 Ceramics
 03 Plastics
 04 Metals / Alloys
- 02.07. Working materials and auxiliaries
 01 Doubling materials
 02 Investment materials
 03 Instrument stands
 04 Insulating materials
 05 Adhesive waxes
 06 Orthodontic aids
 07 Cuvettes / muffles
 08 Solders and soldering aids
 09 Model pins
 10 Polishing agents
 11 Deep-drawing foils and plates
 12 Other auxiliaries
- 02.08. Teeth / Prefabricated molded parts
 01 CAD/CAM blocks
 02 Implant systems
 03 Prefabricated bridges
 04 Plastic/wax moldings
 05 Temporary crowns
 06 Veneers / Onlays
 07 Teeth

3. Hygiene / environmental protection

- 03.01. Hygiene equipment
 01 Storage systems
 02 Disinfection
 03 Sealing devices
 04 Cleaning
 05 Sterilization
 06 Maintenance equipment
 07 Water treatment

- 03.02. Consumables
 01 Decontamination agents
 02 Disinfectants
 03 Cleaning agents
 04 Sterilizing agents
- 03.03. Professional and protective clothing
 01 Work shoes
 02 Workwear
 03 Gloves
 04 Light and laser protection
 05 Protective goggles
 06 Protective masks and shields
 07 Protective capes
- 04. Management / Communication**
- 04.01. EDP systems
 01 Computers
 02 Implant planning systems
 03 Communication systems
 04 Software systems
- 04.02. Services
 01 Education and training
 02 Banks
 03 Waste disposal
 04 Practice marketing
 05 Private liquidation
 06 Management consulting
 07 Validation
 08 Insurer
- 04.03. Organization / Communication tools
 01 Filing systems
 02 Demonstration and Learning Models
 03 Forms
 04 Emergency equipment
 05 Educational hand puppets
 06 Safety systems/- facilities
- 04.04. Non-profit organizations
 01 Non-profit organizations
 02 Professional associations
 03 Foundations
 04 Universities
 05 Associations
- 04.05. Media
 01 Reference books
 02 Trade journals
 03 Information and learning software
 04 Online services
- 05. Trade**
 01 Depot
 02 Mail order
